Re: Unique credentials to teach KINE (PHED) 1100/1110 (activity course only)

Richard Flores-Bachelor of Business Administration

Richard Flores has served as the coach for the SWTJC women's basketball from 2002-present. The assigned coach in 2002 only had a men's team. He did not have the time to devote to a women's team and therefore, asked Mr. Flores to coach. Mr. Flores assumed the position. He was assigned to this position on the basis of his experience as a basketball player himself during high school. He only teaches the PHED 1100/1110 activity course for the purpose of the basketball team. He is now assigned to this position based on the numerous years he has coached the team. The students are granted credit for this course due to the amount of time they devote to their practices and games.
